In the Community

At our Shred Day event on August 15th, we shared smiles and love as we helped the community fight fraud. We even got hugs from some of our four-legged friends as well!

Celebrate International Credit Union Day with Us

Refer a friend or family member who opens a savings AND checking account on Thursday, October 15 through Friday, October 16, 2020, and we will give you \$50 and they will receive \$50.

This year's theme, "Inspiring hope for a global community," reflects how credit unions contribute to a brighter future by providing social empowerment to people all over the world through financial services, education and support.

TIPS TO STAY SAFE FROM SCAMS

We will NEVER call, text or email to ask you for personal information. If you receive an unsolicited call, do not respond. Shred documents containing personal information.

Don't let a desperate situation drive you to take unnecessary risks. If you receive an unsolicited offer that seems too good to be true, it most likely is.

DON'T LET THE GROCERY BILL TURN YOUR STOMACH!

- **Make a list and stick to it.** Impulse purchases can add up!
- **Check out the items on the top and bottom shelves first.** Those prices are usually lower than the items at eye level.
- **Love your leftovers.** Try not to throw anything out - consider freezing portions and reheat at a later time.
