Make your MOVE!

If you have a mortgage on your mind, count on PriorityONE.

You've probably been hearing that mortgage rates are at an all-time low. But what does that mean for you? If you've been putting off purchasing a home or refinancing your current home, don't wait a minute longer. It's time to make your move before rates increase.

One call to our mortgage partner **AmeriCU Mortgage** and you'll see that NOW is the best time to take advantage of today's low rates. Postponing your decision means you'll risk facing higher interest rates later. That could mean higher payments or less home for your budget.

Make your move! It's easy to find out how much home you can afford. Call AmeriCU Mortgage loan representative **Juliana Hincapie-Ospina at 305-343-3329 or email jhincapie@americu.com.**

What's on YOUR wish list?

What are you dreaming of? Luxuries like a newly remodeled kitchen or bath, or a trip of a lifetime? Or more practical needs like college tuition or a new car? Whatever you're dreaming of, there's no limit to what you can do with a **Home Equity Line of Credit** from PriorityONE.

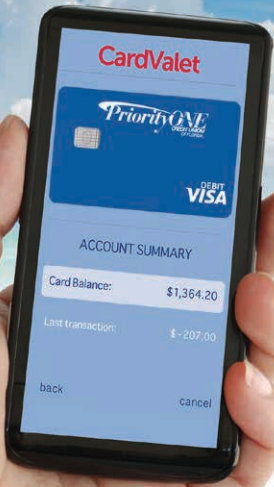

Why put off your wish list one minute longer? Call us today and start taking advantage of our incredibly **LOW** rates, **NO** closing costs and **FAST** closings! Plus, the interest you pay may be tax deductible.*
