Don't FALL for these Scams!

-  **Mailbox Fishing** – Thieves are stealing checks from the big blue collection mailboxes. The checks are then altered and cashed. Discontinue placing any mail you don't want stolen in these boxes! Don't leave outgoing mail in your mailbox either, it can be taken by fraudsters.
-  **Check Scams** – Don't become a victim! You are liable if you deposit a phony check and withdraw the funds. These scams involve car wrapping, work from home sweepstakes, grants, mystery shopper, etc.
-  **Payment App Scams** – Be wary of sending money to people you don't know or tech support imposters requesting remote access to take over your device but instead steals money via your payment apps.
