### ...with e-Statements

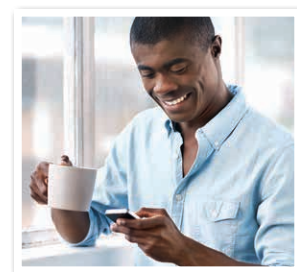

It's not just about the paper clutter when you switch to e-statements. You're also helping to save trees by reducing the volume of paper that we mail each month. Sent securely to your personal e-mail account, here are some of the benefits of e-statements:

- Your statement is ready within 48 hours of being processed.
- The past 12 months of activity is conveniently digitally archived.
- It's more secure than paper statements which risk being compromised by mail fraud or identity theft.
- It's environmentally friendly.

Sign up for e-statements by March 31, 2017 and you will be eligible to win a **\$250 Visa gift card!** Visit us online at [www.priorityonefl.org](http://www.priorityonefl.org) and click on Online Banking to enroll.

## Sharing Is Caring \$25 for You, \$25 for Friends

The greatest compliment that we can receive is to see our members sharing their PriorityONE success stories with friends and relatives who, in turn, want to become members as well. During the month of February, when you refer someone to us and they open a savings and checking account, we will reward you both with \$25.00.

Log on to [www.priorityonefl.org](http://www.priorityonefl.org) to download the Sharing is Caring referral form and feel free to share with others that you would like to see succeed.

## Mark Your Calendar

### Shred Day is Coming

PriorityONE will be hosting a Shred Day as a service to our members to provide free shredding of your sensitive documents. Not only does shredding prevent your personal information from being accessed by the wrong people, it is also a great way to avoid reusable material from ending up in the local landfill.
